**BILL WELLS**  
CONGRESS 2024

PROUDLY ENDORSED BY

PAID FOR BY BILL WELLS FOR CONGRESS

Friends,

Last week, the California Republican Party officially endorsed my candidacy in California's 51st Congressional District. **I am excited to be the official Republican Party endorsed candidate in this race!**

Every day, we see the Democrats' woke agenda chipping away at the fabric of our nation - - our cost of living is through the roof, our schools are failing, and our streets are not safe. It's time for Republicans to challenge every progressive Democrat that is making life worse for everyday Americans, no matter how hard the battle might be ahead. That is why I am stepping up and running against Sara Jacobs.

Billionaire heiress Sara Jacobs was born with a silver spoon in her mouth and her socially progressive priorities are completely out of step with the hard-working families of CA-51. But I cannot fight this monumental battle alone. I need your help to garner national attention for this race and ensure that we have the support we need to cross the finish line in November 2024.

I hope you will consider a campaign contribution of any size today, or a monthly recurring contribution to help us sustain our campaign at the level we need to succeed. Please click one of the buttons below, or contact my finance team via [email](#) if you have any questions.

Thank you for supporting the campaign, and I look forward to seeing you soon!

Sincerely,  
Bill
