PAID FOR BY BILL WELLS FOR CONGRESS

Friends,

This week, the Republican Party of San Diego County officially endorsed my candidacy in California's 51st Congressional District. **I am proud to be the Republican Party's choice in this race.** We will be announcing more endorsements in the coming weeks, but this is a big one!

Our country is at a crossroads, and I truly believe that anyone who has the ability to defeat a progressive liberal like Sara Jacobs has an obligation to step up and fight. But I cannot fight this monumental battle alone - - I need your help to garner national attention for this race and ensure that we have the support we need to cross the finish line in November 2024.

I hope you will consider a recurring donation of **\$10, \$20 or \$100 per month** to help us sustain the campaign at the level we need to succeed. Please click a button below and select the monthly option on our donation portal. If you have any questions, you can contact my finance team via [email](#) or call (858) 208-3635.

Thank you for supporting the campaign, and I look forward to seeing you soon!

Sincerely,  
Bill
